MT60

Auer Signal

Monolithic

Simplicity

Surface and
tube mount

M12 Connector

Wall mount

Foot mount
(100mm)

Reduced. Focused. To the Core.

Our monolithic entry-level 60mm signal tower MT60 is designed to cost, and minimizes your SKUs while meeting your aesthetic demands. It comes preassembled – just plug and play.

The MT60 Core Functions:

COLORS

⚡ NOMINAL VOLTAGE

24 V DC
110 V AC
230 V AC

🔊 VOLUME

optional
70dB sounder

For your aesthetic requirements

The transparent lens design and colored LEDs let the MT60 disappear when it's not activated. Therefore this minimalistic concept is especially suitable for:
Pharmaceutical Laboratories / Printers / Office like manufacturing areas / Customer flow management systems / Food & beverage packaging

IP66 | 50°C / -25°C | c UL us | CE
